In deep appreciation we, the members of the 1982 BEAR FACTS staff, dedicate this annual to you, Mr. Bridges. You have been a successful teacher, coach, principal, and sponsor for the past 9 years. You have greatly influenced our preparation for the future. You think of us as students, but care for each of us as individuals. We think of you not only as a teacher, but as a friend. We say **thanks** for the help you have given us and for your understanding patience.
